IF YOU HAD A DO OVER

What's your do over? What would you change about your BMS "Business Management System" given the opportunity?

We All Have Do Over Items

- Throughout our entire life
- In our Career
- In raising our Families

- If I were 21 and know what I know now

Transition Complete?

- The transition process has been insane!
- How many have transitioned to new revisions?

If you had a do Over?

- How would you streamline your system?
- How would you get process owners engaged?
- Would you develop documentation differently?
- Would you think differently about your system?
- What would you do different?

Everyone wishes they had a do over

- Lessons Learned
- Benchmarking
- Best Practices
- Shift paradigms
