To TexRail T&P Station from DFW Airport is just south of the Omni.  Uber / Taxi from her to more distant hotels or use <b>Molly Trolly</b> – Transport info will be available on our website	5 min to Omni ... Add this time to get to any hotel to the time noted from the Omni			This is the best option to get from the DFW airport to downtown Ft Worth. It is very close to the Omni Hotel

Omni is at the south end of map. Sundance Square at the north end. Very walkable!  
FWCC west side entrances directly across from the Omni and about the center of the building

The two not mapped are very near the Hilton / Courtyard area on the map

You cannot go wrong in selecting any of the downtown hotels.
