Experience

Fundraising Team

The CompanIE – Manhattan, KS

Jan. 2016 – May 2016

Started a manufacturing company to design, develop, and produce diploma frames and business card holders. Contributed to the company development and production.

Analyst

Kansas State University – Manhattan, KS

Jan. 2015 – March 2016

Identified and fulfilled the need to conduct a time study and apply the DMAIC process to reduce the overwhelming effect of a bottleneck. Additionally, reduced paper waste by 25% and instructed boss on continuous improvement techniques.

Sorting Assistant

Hale Library at Kansas State University – Manhattan, KS

Dec. 2013 – May 2016

Replaced returned books, maximized shelf space, identified and reshelved out of place books, and trained new employees in the Sorting Department.

Education

Kansas State University – Manhattan, KS

Bachelors of Science in Industrial Engineering – August 2016

- Mentor in Women in Engineering
- Member of Institute of Industrial and Systems Engineers
- Engineers Without Borders (fundraising team)
- Volunteering (Costume Shop, Church)
- Founder of Knitting Night
- Taught Piano

Navarro College – Waxahachie, TX

Associate of Science in General Science – May 2012

- Completed simultaneously with high school diploma
