

Due to COVID, the Section will not be collecting food donations in person at the PD Meeting. We have worked with the Tarrant Area Food Bank to establish an on-line donation system.

**With more local families affected by reduced income,
this year's food collection and distribution is more important than ever.**

Did you know that one person out of every six people in our community faces hunger? Tarrant Area Food Bank works to provide children, families, and seniors with access to nutritious food. Their mission is important to me because I believe that no one should have to go hungry.

Tarrant Area Food Bank helps children thrive in and out of school by providing nutritious snacks and meals. They are also dedicated to ensuring that seniors with limited incomes don't have to worry about where their next meal will come from. Thanks to TAFB, families in our community are able to sit down to enjoy nutritious meals every day.

Please join me in raising support for this vital organization. Every dollar you give will help provide five meals for people in need. Together we can make a difference!
