

Due to COVID, the Section will not be collecting toy donations in person at the PD Meeting. We have worked with the Marine Reserve Toys for Tots to establish an on-line donation system.

**With more local families affected by reduced income,  
this year's toy collection and distribution is more important than ever.**

Fellow ASQ Greater Fort Worth members,

Once again, we have the opportunity to support our community through our generous giving. This year the annual Toy drive has also been modified due to the impact of COVID-19. While we will not be collecting toys this year, fortunately we can support the Marine Toys for Tots Foundation through virtual donations. Marine Toys for Tots Foundation, a not-for-profit public charity is the fundraising, funding, and support organization for the U.S. Marine Corps Reserve Toys for Tots Program. The Foundation was created at the behest of the U.S. Marine Corps and has supported Toys for Tots since 1991.

The mission of the U.S. Marine Corps Reserve Toys for Tots Program is to collect new, unwrapped toys during October, November and December each year, and distribute those toys as Christmas gifts to less fortunate children in the community in which the campaign is conducted.

All donations through Team and Personal pages are managed with the same 97% to 3% program to support ratio as any other form of dollar donation to the Program. With over 97% of your donations going to our mission of providing toys, books, and other gifts to less fortunate children.

I would like to thank Kelly Olhausen and Ron Moeller for their efforts in getting our Section set up as a donor. There will links available in the Section newsletter and the ASQ Fort Worth website for you to support this effort. Thank you in advance for your donation this year
