Down the Road...

Benefits of Pursuing an ASQ Certification

- Continuous professional development is needed to remain competitive and relevant in today's workplace.
- Provides an opportunity to learn in-demand topics and demonstrate your knowledge to peers and employers.
- Provides potential for increased income, a competitive advantage, and global recognition.
- Develops the competencies needed to solve today's business challenges.
- Professional credential that conveys your experience, further differentiating your resume from your peers.

Build Your Resume -

NOW is the time to consider earning an ASQ Certification.

Classes start in February, with a Early Registration Deadline Discount of $100 payable in mid-January.

Early decision and registration completes your commitment, and becomes the basis for us to assure instructor availability. A minimum of 4 participants is required to make the class a GO status.

Actions:

- Determine what certification is most valuable to your career
- Understand the education / experience requirements
- Investigate company support (funding) of the class and exam
- Budget your immediate and/or long term "investment"
- Make the commitment - Register for the class.

Recognition

Recent Certifications:

In 2022 and 2023, there were very few new certifications. Unfortunately, ASQ has chosen not to inform sections in their monthly member lists about members earning new ones.

We will continue recognizing members at PD Meetings for any new certifications earned in the past few months. Step forward!

When will YOU build your Quality Resume with an ASQ Certification?

Certifications improve both internal promotability and job search marketability.
