

June 6, 2020 Thursday Tours – 2 Choices

It is yet TBD regarding the decision to schedule tours in 2020.

It depends on (1) lifting of bans on public gatherings of >50 participants and (2) identifying a facility willing to host such an event.

Decision is expected by April 30.

Registration is OPEN

All reservations **must be made by Monday, 6/04 at NOON** as facilities require a list of attendees prior to the event for security purposes. Please do not ask for an exception as we cannot honor one, per our commitment to the hosts. They must secure sufficient tour guides for the counts. Should the hosts require an earlier cut-off date, or the location specific maximum be reached, registration for that location will close.
