## **Program Topic: “Five True North Business Leadership Essentials”**

This presentation will make a positive impact on your business and your life! You'll discover a fresh perspective, new ideas, and specific steps to take in your leadership journey.

The Presentation addresses:

- You feel more like a fireman than a leader running around from brushfire to brushfire
- There isn't enough day to get to the end of your overflowing task list
- You're looking to drive results for your business, but your team doesn't seem as committed as you are
- You are wanting more margin at home but can't seem to pull away from the business
- Learn new leadership skills and how to develop into the person you were meant to be
- Learn how to become an effective leader by applying leadership principles, practices, systems and methodologies not taught in business school
- This content will be a preview to a 4-part Tutorial Series on Bobby's Methods, being scheduled for Oct thru Jan.

Speaker: **Bobby Albert**, President of Values-Driven Leadership LLC

- Bobby led the Albert Companies to unprecedented growth—and he did so during one of the most challenging economic periods of our lifetime. His unique leadership, coupled with an unending desire to learn, enabled this CEO and his team to grow revenues, profits by 500 percent between 2005 and 2011, the year he sold his business to a publicly traded company.
- Using a values-driven approach, Bobby created a unique and special workplace culture. The Best 100 Companies to Work for in Texas awarded

their coveted designation to the Albert team for the first two years they applied for consideration. A life-long entrepreneur, Bobby has started up twelve different businesses and acquired nine others. His approach to business has been to value people, seek wisdom, embrace humility, and never stop learning.

- He is currently president of Values-Driven Leadership, LLC. His passion is to help other leaders build inspiring workplace cultures through values-driven leadership. Bobby writes, speaks, and consults with key leaders to share the principles and practices that he used to grow his company from five employees to an organization of more than 150 team members.
- As a regular contributor on Fox News Radio, Bobby provides insight on leadership, workplace culture, and employee engagement.
- Bobby's first book, *Principled Profits - Outward Success Is an Inside Job*, reveals the time-tested principles that enabled his success. His second book, *True North Business*, is a leader's guide to extraordinary growth and impact.
- A cycling enthusiast, Bobby has logged almost 100,000 miles on his road bike. He and his wife, Susan live in north Texas and have three married sons and eight grandchildren.

## **Tutorial 1 (General): “Tips to Impact your Bottom-line through Continuous Improvement Projects”**

Objective: Help attendees to capture ideas for improvement and translate them into effective projects that impact the bottom-line.

Attendees will:

- learn how to make team members “see” ideas for improvement
- understand the importance of a systematic method to capture improvements
- practice an easy approach to manage, finish and share projects
- learn to communicate results to increase management buy-in

Speaker: **Luciana Paulise**, Coach, Author and Speaker

- Lu is the owner of Biztorming Training & Consulting US and Argentina which specializes in 5S implementation and agile business coaching.

- She is an ASQ Certified Quality Engineer and an Influential Voice (blogger) for the ASQ. She has an MBA from CEMA University in Argentina.
- Paulise is an ASQ senior member, the current Chair of the ASQ Beaumont Section, and Chair of the Port Arthur Chamber Hispanic Council.
- She writes for several international media outlets and is the author of *S.O.S. SME'S, 20 Keys to Boosting your Small Business*.
- She was the 2014 recipient of the Deming grant, elected as one of the 40 global leaders of quality by Quality Progress, and in 2018 was awarded Start-Up of the Year in Texas.
