*Posted 11/30/23*

## **SPECIAL NOTICE: Toys for Tots – Collection Night**

### **About Toys for Tots**

This holiday season marks the continuing existence of the Marine Corps Reserve Toys for Tots Program, since its creation in 1991. Please join us in this annual toy drive.

For over seven decades, the Program has evolved and grown exponentially, having delivered hope and the magic of Christmas to over 281 million less fortunate children. Now, in our 77th year, the Marine Corps Reserve Toys for Tots Program also provides year-round support to families experiencing challenges and exceptional circumstances, thus helping to fulfill the hopes and dreams of millions of families and children in need across our great Nation.

Think boy/girl, age 2-12, non-electronic (no batteries) that you would purchase for your children / grandkids, in the \$5-20 range. **Please bring an unwrapped gift or two to the Dec 14 PDM.**

If not attending in person, use this link to contribute online: [Marine Toys for Tots](#)

PS. If you are a past US Marine, please wear your cover and help with collections.

## **Hybrid Meeting: two participation options**

December is our second Hybrid Meeting... meeting focus remains on F2F participation.

- The Speakers will be live at our DOCC meeting location and broadcast with GoToWebinar
- For those who can, please join us at the live DOCC location noted below
- For those who cannot attend live, please sign-up for webinar participation
  - Full remote participation earns 0.25 RU. F2F participation earns 1.0 RU
  - Webinar registration: <https://attendee.gotowebinar.com/register/1601074083546690392>
  - Live participation meal options & registration at end of document

## **Program Topic: “Lessons Learned About Lessons Learned”**

We all know that Lessons Learned sessions, also called retrospectives, post-project reviews, post mortems, or reflections, are important to learn from the past so we can repeat our successes and implement improvements where we had failures.

In this presentation, you will hear about the lessons I have learned from participating in and facilitating lessons learned sessions during my 45+ years in the software industry.

Speaker: **Linda Westfall**, Founder & Principal, Software Excellence Academy

- Bio to be posted soon

## **Tutorial 1: “Lean: It Is About People”**

In a lot of cases lean implementations focus on implementation strategies that drive quick wins and show results. The question of sustainable change and transformation of an organization has puzzled companies during their lean journey for quite some time.

This presentation will explore why “Doing Lean” is so much more than the application of “Lean Tools.”

Speaker: **Andreas Rueter**, Lean Manager, Recaro Aircraft Seating, Ft Worth

- Andreas manages the Lean activities, programs, and projects for the local operations.
- He has over 20 years’ experience and study in the Lean and Continuous Improvement field in various industries, ranging from automotive to cosmetic products.
- His background includes:
  - Continuous Improvement Manager, changing companies to a Lean Value Stream, with the honor of having been part of a hand-picked team to launch a lean automotive plant from the ground up.
  - Masters of Engineering from College of Bremerhaven, Germany
  - Certifications/Honors: Certified Lean Bronze, ASQ Certified Black Belt

## **Tutorial 2: “NONE”**

Dec – None – Hybrid PDM cannot accommodate 2nd tutorial topic.

Jan – MTBF & MTTF by Peter Hoi, Lockheed Aero

## Prepaid Meal Purchase via Web:

We have full capability to accept pre-paid meals and/or plan a vegetarian meal via the web using the ASQ “Memberplanet” reservation system, which costs \$1.75 per person in fees.

Upon returning to DOCC we are also being charged a room use fee and must cover the cost of it by the attendees. With 50 attending, the distributed cost is about \$6.00 per person.

For Diamond Oaks planning, and to manage costs, we **must have registrations for all attendees**. Reservations for meals must be completed **by NOON on Tuesday** to order adequate food. The standard cost of the meal is \$30.00. However, reservations by deadline above will be discounted to \$25.00 which includes the \$6.00 seat fee.

If unable to join the meeting, and the meal reservation becomes a “no-show”, the Section plans to process a refund over the weekend. We do not want to penalize you for unknown business needs.

Reservation Link: [Ft Worth ASQ Recurring PD Meeting](#) – it looks a bit different than we had for the last year... **and** you can process multiple person meals in one transaction.

Look for “**Buy Tickets**” on the upper right side of the page.

### Choose: PD Meeting ASQ Dinner

- Buffet Meal – meat, a vegetable, salad, bread, etc.
  - Vegetarian / Vegan Option – often a pasta dish
  - Gluten Free Option
  - Just Program Access – room fee – No Meal (\$6.00)
  - **All meals options \$25.00 include room**
  - If problems, contact [jbreckline@att.net](mailto:jbreckline@att.net)
- 

- **Register for webinar access:** <https://attendee.gotowebinar.com/register/1601074083546690392>

### Typical Meeting Schedule:
