About Us

- World Certification Services has been in business since 1993 and operates in most countries throughout the manufacturing world. **WCS Quality Registrars LLC** is a highly respected Registrar providing certification services on behalf of WCS Ltd. for Quality, Environmental and Safety Management Systems.
- We are industry leaders in certification services for
 - ISO 9001:2008
 - AS 9100:2009 Aviation, Space and Defense
 - ISO 14001:2004 Environmental
 - OHSAS 18001:2007 Safety

- Our North Texas office was established in December of 2014 to accommodate the growing need for certifications in the North Texas region.
- The WCSQR team has 100+ years of combined audit experience, our team members are industry leaders in certification services.

Why choose WCS?

- At WCS, we pride ourselves on providing the highest level of customer service in the certification industry. We have extremely high customer satisfaction ratings (>99% worldwide).
- WCS employs highly qualified, full time, salaried auditors, not subcontractors working for day rates. Our auditors come from manufacturing and quality backgrounds and have been on your side of numerous audits before joining WCS.
- We guarantee local auditors in the DFW area.
- No added expenses for lodging or travel.
